A GROWING NEWSPAPER IN A GROWING COMMUNITY

Vol. 61, No. 46 CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c per copy Thursday, Dec. 2, 1954

CAMPBELL Business streets took on a festive glow this weeq as silver scrolls and red bells were attached to poles as shown in the photo above. This is the first time the decorations have been put up for the Christmas season here, and is a project of the Chamber of Commerce 60-second Polaroid Picture

Christmas Comes To Downtown Campbell

Christmas has come to Campbell. The glittering silver garlands and large swaying red bells which were installed on telephone poles Sunday have added a festive air to our City and made Campbell Avenue a "Christmas Lane." Last year there were no street decorations to spur on the Christmas spirit. The silver garlands and bells have been placed on every pole on Campbell Avenue from Dillon to Winchester Road, on Winchester from the Schools to Mission Way, and also on the corners of Campbell Avenue and the San Jose-Los Gatos Road.

All credit goes to the Campbell Chamber of Commerce which obtained permission from the P. G. and E., Pacifice Telephone and Telegraph Company and the Pole Association, to install the decorations; to Bob, Jim, and Thelma Curry, Bill and Barbara Meyers, Elmer Koenig, Charles Livingston and Kenny Munson, who installed the decorations without cost; and to Hans Nielsen of Hunt's Foods for the use of a lift truck.

The Chamber of Commerce has purchased the ornaments which are formed of steel tubing and can be used for many years. A committee is now working on a pro rata assessment for each merchant, and the City Council has donated $300 toward the cost of the decorations.

A Christmas Kiddies Parade has been planned by the Chamber of Commerce for 2:00 p. m. on December 18, with children up through the 6th grade participating. A brass band will play and Santa Claus will ride down Christmas Lane on the shiny new red fire truck. The parade committee is headed by Police Chief Robert Locke and Fire Chief Jack Scott.

For more complete details of the parade read next Thursday's Campbell Press.

BIDS CALLED FOR MONROE SCHOOL BLDG.

Bids have been called by the Board of Trustees of the Campbell Union School District for the building of the new Monroe School of ten classrooms, two kindergarten rooms, administration, multi-use room, mechanical and storage rooms and for the site development.

The bids are to be opened at two o'clock p. m. December 16 at the Campbell school offices on Third street.

The new school is to be started from funds made available with the passage of the recent bond election, $49,000 of which will be from the school district and $350,000 from the state.

POLICE SEARCH FOR INTRUDER

An intruder at the home of a Campbell woman was routed by her screams early Monday morning, according to a report filed with the police department. The woman told Officer Jerry O'Connell she had returned from work and had gone downstairs from an apartment she shared with a girl friend, to take a bath.

The intruder allegedly entered the premises through an unlocked door at the rear. He was about 25, had gray-blue eyes and was stockily built, the woman said. When she screamed first the man did not move, but her second scream sent him scurrying out the door. Police have not been able to find any further clues regarding his identity.

GOOD PROGRAM ARRANGED FOR BAND CONCERT

A program designed to please the most discriminating music lover has been planned by the Memory Post Symphony Band

SALINA PROFAIZER, light opera star, who is to be heard in Campbell at the concert on December 10 sponsored by the Campbell Chamber of Commerce.

which will give a concert here in the Campbell High School Auditorium the 10th of December. Sam Cava, president of the Campbell Chamber of Commerce, who is known in this area as a conductor of many years experience, will lead the band through its varied program of classical, semi-classical and popular music.

The three guest artists, Carmella Giacolone, Salina Profaizer, and Sam Garofola, are all well known ing roles in many Operettas. Last concert singers and have had lead- Friday and Saturday they appeared in Victor Herbert's Operetta "The Fortune Teller" which was presented in Santa Clara. They will also lead the community sing planned for the intermission, words for the songs will be printed on the programs.

Duets will be sung by Carmella Giacolone and Sam Garofola, and Salina rofaizer and Sam Garofola. Their selections are "Then You'll Remember", "Sweetheart" and "I'm Falling in Love With Someone" from May Time.

Featured by the Symphony Band will be "Home Sweet Home The World Over" which is a special arrangement for Sousa when he toured the world. Another selection is 'In a Persian Market". There will be Strauss Waltzes and possibly a Christmas medley to round out a full program.

Members of the Rotary, Kiwanis and Lions Clubs have taken a substantial block of tickets to dispose of among their members.

Tickets are on sale at the Campbell Music Company, Camps Grill and Newsstand, Blue Bell Cafe, Campbell Stationery, Rozanne Dress Shop, Campbell Hardware, Rachel's, Golden State Cleaners, Jeffer's, Campbell Florist Shop, Del Carron, and Strong Paint Store.

Any merchant wishing to carry these tickets should contact Sam Cava.

Southern Pacific May Close Campbell Depot

A notice was posted in the Campbell depot of the Southern Pacific Company that the firm intends to discontinue local service after December 29th because of a decline in business. The notice states further that the station may be reopened if business warrants.

The action which is in keeping with provisions of section 3 of general order No. 36B of the Public Utilities Commission, has already aroused the interest of civic organizations who assertedly intend to protest the closing of the depot which has been operating here for half a century.

At the present time there is no passenger business but a great deal of shipping is done by Hunt's warehouses and by lumber companies in the vicinity.

There is no immediate move to close the Los Gatos station or to move it to the Vasona Junction as unofficially reported. Several years ago the Los Altos depot was closed for a brief period and was then reopened at the insistence of business men in that community.

William Burnett, who has been station agent in Campbell for the past eighteen years thinks it is likely that Western Union will retain someone in Campbell to handle telegraphic services and that the freight might be handled in the same way.

FOOTBALL FANS In the Campbell rooting section at the little Big Game on Thanksgiving Day are shown displaying a lot of spirit at the half-time period as the score reached 38 for the Bucs and zero for the Los Gatos Wildcats. There were more than 4000 on hand to see the game, one of the largest turnouts for an athletic event in the school history.

Tuesday Election Lost By Four Votes

CAMBRIAN SCHOOL WILL CALL ANOTHER ELECTION

Plans were being made yesterday for another election in the Cambrian Park School district, probably the middle of March, to again seek an increase in the school tax base from 90c to $1.50 to provide for operational and maintenance services at the Steindorf School and two schools proposed for the district.

Campbell Holds Lead In School Enrollments

Both the Campbell High School and the Campbell Union Grammar School districts sustained their leadership in enrollments for the Santa Clara Valley this year according to comparative records compiled by O. S. Hubbard, county superintendent of schools. Official enrollment total in the county on November 1 was 90,725 as compared with 81,999 at the same time a year ago.

Enrollment in elementary schools is 63,107 including 14,248 in the San Jose unified district and 7,145 in Palo Alto district. Of the 15998 in high school, 4,556 are at San Jose High, 2449 are enrolled at Campbell, 1728 at Palo Alto, 1881 at Fremont, 1747 at Mountain View, 1682 at Eastside, 1454 at Los Gatos and 1063 at Santa Clara.

Comparative enrollments in county elementary schools for 1953 and 1954 are:

School	1953	1954
Adams	54	75
Air Point	17	10
Almaden	586	563

At the election held Tuesday for the same purpose the issue lost 375 to 371, with one absentee ballot to be counted. If the next election is successful, useable funds would be made available on July 1, 1955 and February, 1956, the same as if the election had carried Tuesday of this week.

Tuesday's election cost the taxpayers over $250 with an obvious need for repeating the election if defeated because of the tremendous enrollment increases. This was the first time a school election lost in the Cambrian School District, according to Delos Bagby, superintendent. The tax base here has been 90c since 1927 and in the meantime costs of everything have advanced. In the last five years all other schools have advanced their tax bases, so Cambrian taxpayers have been getting a free ride with the lowest tax base.

Bagby said already 800 of the 1290 pupils enrolled are on double sessions and by December, 1956, the board expects the enrollment to be 1550 to 1600 or even greater.

"It hurts in pre-planning for schools if we can not get supplies for lack of tax money" Bagby said, adding however that he believed favorable results will come from the next election the same as has been the experience in other districts where enrollment increases are pressing the school facilities.

'Atomic Age' Is Kiwanis Topic

Only the spiritual power of mankind has a greater potential power than has atomic power, a speaker at the Kiwanis Club meeting said Tuesday. He was E. O. Thorwaldson of Los Gatos, former president of the Kiwanis Club there, whose topic was "A For Atomic".

A film, by General Electric gave a graphic presentation of smashing the uranium atom and how it can assimilate with other elements. The speaker did not mention any of the destructive uses of the atom but elaborated on some of the constructive possibilities, lauding the setting up of atomic commission as being one of the outstanding achievements of the Eisenhower administration so far as history is concerned.

Program chairman was Lester Lafferty. At the meeting next Tuesday, the high school chorus will be presented with Howard Guilbert as program chairman.

NEED LEADER

Do you have a Scout Master in your home? Troop 29, sponsored by St. Lucy's Men's Club is badly in need of a Scout Master. We have a good committee, two (2) fine assistant Scoutmasters, a good bunch of boys—But NO scout Master! ! !

HOLIDAY HINTS

Holiday Hospitality will be the topic next Wednesday morning when the Cambrian Home Extension Service meets in the Cambrian Youth Center. The project leaders will be Mrs. Richard Cox and Mrs. Zeno Hallett.

Child care is to be provided those expecting to attend, if desired.

CAMPBELL GETS FIRST POSTAL ROUTE TRUCKS

Bids are being accepted at the Campbell post office for the maintenance of four half-ton Dodge trucks, which are being put into service here. The bids are for the remainder of the fiscal year and to June 30, 1955.

Services called for in the bid forms are for monthly storage, repairs, lubrication, washing, battery service and tube repair, gasoline and oil supplies.

The four new trucks, red, white and blue in color arrived this week and are to be put into service in time for the Christmas business. They are the first trucks sent by the department to any postoffice in the bay area, so far as is known here.

Campbell Boys Find Safe That Had Been Stolen

A safe, stolen Thanksgiving Day, was found Sunday at Almaden Reservoir by John Haliwell, 17, of 54 E. Rincon Avenue, and Dick Luhring, 16, of 290 S. Union Avenue.

The boys had been hunting for a mountain lion reported to be in the area and had gone down to the dry bed of the reservoir hoping to find some tracks when Dick stumbled across the safe. He immediately called to John and together they located the missing door, a ball hammer which had been used to pound it off, and several bank books. The two boys carefully wrapped the hammer in a handkerchief to preserve any finger prints and took it and the safe to the Sheriff's office.

The empty safe which had been stolen from the home of Jose R. Villasenor on S. Eighth Street in San Jose, had contained several hundred dollars in government bonds and a coin collection.

Tavern Owner Is Charged Bigamy

Bernard Ashmore, a tavern owner here, was taken into custody by Santa Clara police on charges of bigamy as alleged by his wife who said further that he had beaten her when she learned he had a wife and daughter in Texas. At the police station Ashmore admitted having left his family in Texas and that he had met and married Mrs. Ashmore in Iowa. Mrs. Ashmore's first husband was a policemen who had been killed in line of duty, and that insurance money had been used to purchase the Campbell Inn.

Police Chief William Garrity of Santa Clara said he may have Mann Act charges filed against Ashmore who told officers he has been married four times and divorced only once. The Ashmores have resided at Santa Clara.

CAMPBELL WOMAN WINS NATION-WIDE CONTEST

A Campbell woman, Mrs. Emma Cates, of 925 Juanita Avenue, has been awarded second prize in the Tablecloth Classification of the 1954 Nationwide Crochet Contest, it was announced today in New York City. Her beautifully crocheted table cloth was entered in the contest through the Santa Clara County Fair.

The final judging of the Nationwide Crochet Contest was conducted in New York City by a group of the nation's leading needlework experts. The winning crocheted pieces were selected from over 3,000 entries, on the basis of general appearance, beauty of design, an workmanship. Cash prizes of over $2,600 are being awarded to the winning contestants.

Mrs. Cates was pleasantly surprised to learn of her award by a reporter from the Campbell Press who called to get more details.

The winning tablecloth is seventy by ninety inches in size and fashioned of eighty medallions. The design consists of alternating medallions of flower baskets and birds on twigs. Mrs. Cates used seventy-five balls of pure white 100 size thread for her winning creation, and spent at least 8 hours on each separate medallion. She is a perfectionist who cannot rest until her work is as perfect as it is possible to make and has often redone patterns she has worked on for many hours.

Mrs. Cates, who came to Campbell from Detroit two years, said she never thought she could accomplish anything worth while and had never considered entering any kind of a contest before. She entered the Santa Clara County Fair only after the insistent urging of her daughter, Mrs. Elford M. Cook, with whom she lives. She won first prize and was awarded a gold cup inscribed "Best of Fair" by the National Needlecraft Bureau, and a special blue ribbon. This award by the County Fair made her eligible for the national contest. A price of $325 has been placed on the prize-winning tablecloth.

PETITION SEEKS UNION AVENUE IMPROVEMENTS

A petition seeking the widening or resurfacing of Union Avenue in the Cambrian Park area is expected to be filed next Monday with the County Board of Supervisors, according to John J. Parker of 14921 Herring avenue who says 1235 names appear on the petition.

Most of the signatures have been obtained from the Mablum Gardens, west and east of Cambrian Park Plaza. Among the signers are Paul Schaeffer, developer of Cambrian Park, and H. J. Misassou, owner of Lone Hill Winery.

It is understood that the Union avenue project was included in the preliminary budget of the supervisors but was dropped in the final draft.

KINDERGARTEN TEACHERS WILL HOLD MEET HERE

Kindergarten teachers of Santa Clara County will hold a meeting Monday, December 6, at 7:30 p. m. in the Moreland School, located on the corner of Saratoga and Payne Roads. Miss Bothilda Hamsen, superintendent of Santa Clara County Kindergarten teachers will direct the activities.

Christmas activities will be discussed by Mrs. Cathy Gum and Mrs. Betty Hoagland. Miss Bethel Fry, of San Jose State College, will be moderator for a panel which will discuss block play experiences in class rooms.

Moreland District kindergarten teachers will be hostesses to the group and serve refreshments.

The meeting is open to all kindergarten teachers.

A tense moment in the Footlighters' farce-mystery "Ramshackle Inn is here pictured as the villain, played by Jim Strimpel, is exposed and captured. Players from left to right are: Genevieve Cosentino, George Nelson, Alice Jones (seated), Carolyn Coons, James Strimpel (reclining), Marian Nelson, Bud Levenberg, Zee Romer, and Alma Fanning. The play will be presented in the Campbell Union High School Auditorium, Friday, Dec. 3.

EDITORIAL

WHAT'S THIS ABOUT DEPOT CLOSING?

The report that the Southern Pacific may close its depot in Campbell is one which will probably be contested with protests in view of the progressive developments being undertaken in this area. For fifty years or more there has been a depot here and until recently there has not been the tonnage of shipments which is being handled here now and which will be handled in the next year or so.

There will be some five million dollars in new building construction starting in Campbell in 1955, according to every indication and since building materials are substantial shipments, there is a definite need for a local representation of the carrier firm.

It is difficult to understand why they would choose to shut down an office to the inconvenience of the public and as a challenge to competitive carriers.

SAFE DRIVING DAY

It seems that people in general are becoming a little less courteous on the road when driving an automobile. After all, safe driving is courteous driving and a consideration for the safety and well being of others. It may be that there are more cars on the road and more cars with single occupants.

National Safe Driving Day, set for December 15 by President Eisenhower's Action Committee for Traffic Safety, comes at a suitable time for calling public attention to this situation. Here we have mid-winter traffic hazards to consider along with an on-rush of holiday travel through fog, rain and slushy pavement.

Governor Goodwin Knight in his proclamation asks observance of the day all over the state in view of the fact that traffic accidents killed 3371 Californians and injured 110,000 last year alone.

Mayor Richard Morton has named Police Chief Robert Locke as Director of S-D day activities in Campbell and points out that this is an opportunity for every citizen to join in a common effort against a common enemy: the traffic toll. We can help as an individual, and as a member of groups with which we are associated.

It is difficult to make long-range planning on safety with traffic increasing. Even Bernard Caldwell, Highway Patrol Commisioner, is of the opinion that with super-speed freeways, the accident rate has not been reduced. With new cars coming out too with their horsepower increased, the problem is still there.

One of the crackdowns by the traffic enforcement officers will be against old cars with faulty equipment that just can't cope with cars and highways designed for a new decade.

Indeed, S-D Day is important, but so is every day, when it comes to motoring safety.

INDUSTRY IS COMING

The industrial department for the San Jose Chamber of Commerce reports that for the months of October and November, eight new industries have been started and ten old ones have expanded, with 164 jobs created and a capital investment made of $1,867,000. For the year to date, 31 new industries have started, eighty old ones have expanded, 2008 new jobs have been created and $17,641,413 capital invested.

This is not for San Jose proper, but for the entire Santa Clara Valley. Included in the list of new industries are Westinghouse Electric Supply Company, Pillsbury Mills, Ethicon, Inc., a subsidiary of Johnson and Johnson Company, Patterson Pacific Parchment Company, Kaiser-Willys Corp., Atlas Furnace Company, Commercial Solvent Company, Concrete Service Co., and Kenneth Young Linoleum Company.

GOING SHOPPING?

With the swift approach of the Christmas shopping season, it's well to remember a few simple things that will make your buying more pleasant and less hazardous. First of all, shop early. Prepare your shopping list and go to work on it. You will get a better selection of merchandise and smaller crowds at this time will make it easier on your toes, elbows and nerves. Don't leave packages in plain view in your car. Lock them in the trunk. Rifling cars is an active business during the Christmas season and visible packages are an open invitation to trouble. Keep your purse in your hands and be sure it is closed when you're walking around. If you must put it down momentarily, keep your eye on it. Do your Christmas buying at the local stores. They can serve you just as well as stores elsewhere, and they afford you a convenience which out-of-town places cannot. Be wary of bargain stores which obviously are open only for the holiday trade. The established merchant will be there after Christmas if you want to return an item. The fly-by-night outfit will not. These suggestions may not answer all the Christmas shopping problems, but they'll help.

WINNIE'S GREAT SURRENDER

Sir Winston Churchill, who has scoffed at health rules and food faddists for years is 80 and has gone on a diet.

That news may not arouse much interest over here unless one knows a bit about the old boy's habits, which are amazing. One of the keenest minds of our lifetime, Winnie follows no rules of conduct.

Is tobacco harmful? Winnie has chain-smoked cigars for sixty years. Is liquor a poison? Winnie has said he can't estimate how many tank cars of brandy he has consumed. Must a man count his calories to live long and efficiently? Winnie has been a heavy eater of rich foods at all hours of the day and night. yet at 80 he is still the top man in jolly old England. His wit is sharp. He paints well, is one of the world's greatest linguists as well as writers. But now at long last he is to go on a diet and slow down a bit. A great surrender to nature.

The Campbell Gambol

EVERYONE In the Campbell grandstand at the little Big Game last Thursday seemed to sway with the song, "Yes, Sir! That's Our Team" as directed by students Jim Welkin and Don Carre while on the field, at half time the new Marching band went through its various formations with Jerry Hay as drum major, three beautiful baton twirlers prancing ahead of 48 marchers, the huge pom-pom crew, some jubilant coaches trying to be nonchalant around a group of their players unusually modest boys who not only are good sportsmen but scholastically good students . . . the marching unit after performing at the Campbell-Los Gatos game and at the balloon parade in San Jose, went on to Spartan Stadium in San Jose last Saturday to perform at half time period during the game between San Jose State and New Mexico.

JUST TEN YEARS AGO It was Billy Wilson who led Campbell High to its big victories in football, and it will be the same Billie Wilson who returns for the football awards banquet next week, only now he is the star player with the San Francisco Forty-Niners professional football team, appearing here with Frankie Albert, the all-time grid great from Stanford University and the Forty-Niner team.

CHRISTMAS In Campbell seems more alive with the decoration of the streets with scrolls and bells, just like the placing and lighting of a Christmas tree brings some of the Christms cheer to the home . . . Winchester Road and Campbell avenue seem to be wearing a new dress for the festive season . . . . holiday activities are starting too . . . Ramshackle Inn" is to be presented tomorrow night at the high school by the Footlighters, not only a good comedy, but some very original sets prepared by Ethan Lanphear . . . holiday decorations a topic at Union school PTA tomorrow also for Blossom Hill Garden Club and some sort of Christmas surprise in store at the Campbell Grammar School PTA meeting December 14th.

BRIGHT AND NEW are the new mail trucks that arrived in Campbell this week ready to go in service on four of the routes, and Postmaster Ira Grim just about losing all the buttons from his vest just looking at them resplendent in their red, white and blue dress, just another first for Campbell for the department recognizes that it was here that the first automobile was used in an experimental sort of way on one of the rural routes when Ellis Preston drove a 1909 Paige car over one of the routes here to prove that better time could be made by automobile than by a horse-drawn vehicle . . . it was a close call too, because the horse knew all the stops and the driver could do the sorting along the way, while a car, land a mercy! the mailman would have to chug along, steer the car and stop now and then to sort the mail, pump up a tire and do a lot of other unexpected chores. . . but with the new trucks with right hand side drive, sorting table and curved windshields the new trucks seem like miniature postoffices and are designed for convenience and efficiency.

Los Gatos Seeks Big Annexation In Defense Move

Approval next Monday by the Boundary Commission is sought for a map filed by the City of Los Gatos which proposes to push their boundary lines to the north and east by adding two square miles of land and 5,500 population. It would double the present size of the town.

The area juts north from the town line as far as the Southern Pacific tracks, Shelbourne Way and Vista, Lark and Carlton avenues. The West boundary is formed by Madrone avenue Viewfield road and the Los Gatos Union Elementary School District line. Camino del Cerro, El Nido avenue and Short and Hilow roads mark the east limits.

The map was filed following a survey by the Citizens Development Committee headed by Ed Y. Moore, also as a buffer to halt the encroachments of San Jose in their suburban areas. It touches San Jose limits at National avenue. If the boundaries commission approves the map then an election will be held. A "no action" vote, the only negative action the commission can take, would delay annexation proceedings for 20 days. After that, however, Los Gatos could go ahead with its plans.

Missionary Doctor From Rhodesia To Be Heard Here

A Methodist missionary doctor, who through the Washburn Memorial Hospital in Southern Rhodesio of which he is supervisor, treated 5,000 Africans in 1953, will be guest-speaker at First Methodist Church in Campbell next Wednesday evening, December 8, at 8 p.m. He is Dr. John F. Sheldon, who has completed five years at Nyadiri Mission, Southern Rhodesia, Africa, serving the Methodist Board of Missions.

In addition to his job as supervisor of medical and surgical work at the hospital, Dr. Sheldon teaches in the Nurse Training School where African girls are trained to meet the standards of the Southern Rhodesian government for African nursing orderlies.

"We expect them to go into the rural communities to do teaching in preventive medicine, public health, maternal and child welfare," the missionary doctor says.

Graduates of the nurses' training school are in great demand throughout the colony. The public health program conducted by the hospital extends to people of the outlying district. Nyadiri mission station includes an orphanage for African babies, primary schools enrolling 475 boys and girls, a district program, and agricultural and industrial training centers.

A native of Vermillion, Kansas, Dr. Sheldon attended the College of the Pacific, Stockton, Calif., and received his Bachelor of Science degree from the University of New Mexico. He received his M. D. from the School of Medicine, University of Southern California.

Before going to the mission field in 1949, Dr. Sheldon served in internship at Methodist Hospital, Madison, Wis.; was a member of the U. S. Navy Medical Corps, serving in Hawaii, Okinawa, and China, 1944-46; at the Los Angeles City Maternity Welfare Department, and resident physician at Riverside County Hospital, Arlington, California.

Among the doctor's special interests are photography, collecting African musical instruments and recordings of the instruments, and making studies of African medicines.

Dr. Sheldon's parents served in China as Methodist medical missionaries. His wife is the former Marielta Huron, San Marino, Calif.

The research department of the San Francisco Public Library handles approximately 100,000 telephone inquiries annually.

BEGINNING OF A TOUGH GRIND

The starting of wrestling season on Monday, Nov. 23 brings a tough grind to the ones out for wrestling. The Campbell wrestling team are defending champions of Northern California.

Although losing many of the experienced wrestlers by way of the diploma, Coach Duddridge has high hopes for another chamionship team. Returning lettermen are Charles Villereal, Richard Alfano, Roy Cureton and Richard Calloway.

CAMPBELL HIGH GRADUATES MARRIED HERE SATURDAY

The Congregational Church was the locale for the Saturday afternoon wedding on November 27, of Mary Jo Pusateri and Corporal Gary Richard Swenson, U. S. M. C. with the Reverend Corwin Olds officiating.

For her wedding, Mary Jo chose a smart blue suit and wore a small white hat with veil. She pinned on a corsage of white chrysanthemums. Matron of honor was her mother, Mrs. Gladys Chastain, Carter Swensen, brother of the groom, performed the duties of best man.

Mary Jo is the daughter of Mrs. Gladys Chastain of Eureka, California, and a recent graduate of Campbell High School.

Gary is the son of Mr. and Mrs. R. D. Swensen of 15086 Charmeran Avenue and also a graduate of Campbell High School. At the present time he is serving with the Marine Corps Air Base at Mojave.

Following a brief honeymoon at Santa Cruz, the young couple will return to the Marine Base where they will make their future home.

Sorority Plans Christmas Fete

A Christmas Party has been planned by members of Santa Clara Valley Phi Mu Alumni Club to be held Friday, December 10, at the home of Mrs. Henry C. Oliver at 788 North Daniel Way, San Jose. All Phi Mu's in this area are invited and can make reservations by contacting either Mrs. Oliver or Mrs. William Christensen.

Plans for a Tea on January 16, to be held in the home of Mrs. Harry Hicks 17537 Blanchard Drive, Los Gatos, were discussed at a recent meeting. The Tea will be given in honor of Phi Mu's recently elected national president, Mrs. Carl Benninghoven of Hillsborough. Mrs. Benninghoven is the former Hazel Falconer, daughter of Dr. and Mrs. James Falconer, formerly of San Jose.

Visitors From San Salvador

Mrs. Paul Becher and three children, Buckie, Monica and Leslie, have arrived from San Salvador, Central America, to be with friends, the E. Lanphears of 636 Sweetbriar Drive, for a three month stay. Paul Becker, who is head of the American school in San Salvador, will arrive about the 17th of December to be with his family.

CAMPBELL REGISTER

Master Sergeant FIELDING LONG JR. whose father lives at 1248 Walters Avenue in the San Tomas area is serving with the Supreme Headquarters allied Powers in Europe as a stenographer with Headquarters command, according to word just received from Paris.

Child care will be provided by Girl Scouts from Troops 77 and 26, supervised by their adult leaders.

IN CAMPBELL'S KITCHENS

Mrs. Martha Rapheld of 15036 Woodard Road gives us her favorite Southern style turkey stuffing and a dessert, originated by a friend, which won first prize at a mid-west county fair.

SOUTHERN STYLE TURKEY STUFFING

2 cups rice
3 large onions, chopped fine
raw turkey heart, liver and gizzard, finely ground. Turkey fat may be added
2 teaspoons salt
pepper to taste
poultry seasoning optional
4 large celery stalks, chopped fine
1 medium green pepper, chopped fine.
2 eggs, well beaten
1 jar oysters, chopped fine
parsley, chopped, optional

Cook rice. While rice is cooking, saute heart, live, gizzard and turkey fat until thoroughly cooked. Add salt, pepper, poultry seasoning, celery and green pepper, mix well. Remove from heat and add drained irce. Fold in beaten eggs; mix well. Cool slightly, add parsley and oysters. Cool thoroughly and stuff turkey. Will make a generous stuffing for a 15 pound turkey.

STRAWBERRY DESSERT

1 pint strawberries, fresh or frozen, crushed and sweetened
½ cup milk
½ pound marshmallows
½ cup sugar
1 cup whipped cream
1/3 pound vanilla wafers.

Dissolve marshmallows in milk over low heat. Cool and fold in strawberries. Fold in whipped cream. Crush vanilla wafers finely, spread half in bottom of 2 quart tray, pour in strawberry mixture, and spread remaining wafer crumbs over top. Freeze several hours before serving. Serves 6 to 8 persons.

Reception For Golden Wedding Honors Couple

Mr. and Mrs. Charles DeSelle, who celebrated their fiftieth anniversary of marriage last Wednesday, November 24, were honored with a surprise Golden Wedding reception Sunday at the home of their son and daughter-in-law, Mr. and Mrs. Raymond DeSelle of 50 Carlyn Avenue.

For the memorial occasion, children of the couple presented them with two gold watches, and Mrs. DeSelle pinned on a corsage of golden yellow orchids, a gift of her husband Charles. Another wedding gift which made the DeSelles extremely happy was the arrival of a new granddaughter on the date of their anniversary. The baby has been named Dorothy after the only girl in the family and was bron November 24 at O'Connor Hospital to Mr. and Mrs. Melvin DeSelle.

Beside the children and their families, at least fifty friends gathered to congratulate the DeSelles on their many years of happy marriage. Guests were served from a table carrying out the golden theme in candles and flowers, which was centered by tiered wedding and bride's cakes.

Cubbing Awards Given At Meet

Over four hundred and fifty items of foodstuff was collected by Cub Pack 30, San Tomas District, in their annual drive for food for the needy on Thanksgiving. The drive was under the direction of Mel Neujahr who reports it was more than enough to provide for two families in need and that the efforts of the boys assured their less fortunate neighbors of a happy Thanksgiving Day.

The monthly Cub Scout theme "Musical Hoe-down" was held in great style at the San Tomas School on Friday, November 19, with all six dens participating in staged productions. Michael Spitzer was initiated into the pack along with Walker Merrill, a transfer from Pack 38.

Awards were given to Jimmy Tolosano, denner stripes, and to Kenny Farrell, who won the monthly award for good sportsmanship.

The meeting was closed with a quiz competition between dens with the parents giving the answers. The quiz was designed to test their knowledge of Cubbing.

At the October 29 Pack meeting the following boys received cubbing awards: Kenneth Orr, assistant denner stripes, two year pin and Lion rank; Dick Miller, denner stripes, one gold arrow, one silver arrow and Lion rank; Larry Pirvul, advanced to Bear rank, one gold arrow, two silver arrows; Brian Wilson, denner stripes and one year pin; Henry McCalister, one silver arrow; Brad Hamon, two year pin; Randy Hancock, one silver arrow; Gerry Cunha, one gold arrow and one silver arrow; Jack Fischer, one gold arrow; Robert Jones, one gold arrow and the silver arrow; Richard Ingham, the gold arrow.

UNSAFE CARS TO BE WATCHED IN S-D CAMPAIGN

Campbell and all other communities in Santa Clara County are joining with the state and nation in a hard-hitting campaign for an accident-less 24 hours on the highways and streets on S-D (Safe Driving) Day, Dec. 15, it was announced today.

Police Chief Robert Locke has been named S-D Day Director for Campbell and is working closely with Mayor Richard Morton and other local officials and civic leaders to slash the toll of injury and death.

Glenn R. Baker of San Jose, named S-D Day Director for this county by Governor Knight, said he is cooperating whole-heartedly with the Santa Clara County Safety Council and he has asked all organizations and responsible individuals to join the county-wide drive.

Both Baker and Walter L. Jensen, president of the Safety Council, said that plans in htis county call for an extension of the Safe Driving campaign to cover the entire holiday season.

"The unsafe car will be the object of special attack in the county-wide campaign being organized to banish accident and death from our highways", they said in a joint statement. "The unsafe car is the car with faulty brakes, faulty lights, faulty windshield wipers, or tires that are worn thin."

Conversion of unsafe cars into safe cars will be brought about by road blocks, additional police patrols on all highways and a mechanical checkup of cars at all service stations in the county, the latter a project of the Oil Industry Committee, it was stated.

The State Highway Patrol and police department of the various cities are cooperating with the S-D Day committees. Also, church, school, civic, fraternal and other organizations are rallying to support the campaign, it was announced.

STATE HIGHWAY PATROL ALERTED FOR HOLIDAYS

SACRAMENTO—California motorists will get all possible protection during the coming holiday season, but they must plan to help themselves as well.

This was the decision of the California Highway Patrol following a conference today to reaffirm plans for traffic control on the unincorporated highways throughout the state during the holiday period.

"Every available resource of the Patrol will be brought to bear in our continuing all out effort to protect human life," declared Patrol Commissioner R. B. Caldwell as he ponted out the fact that traffic deaths average eleven each day during last December.

At the same time it was announced that Patrol will lend cooperation to the President's nationwide S-D Day for safe driving on December 15. The traffic law enforcement phase of the program is under the national leadership of the International Association of Chiefs of Police.

"This Safe Driving Day observance should point out that voluntary compliance with traffic laws is a necessary factor in developing an effective accident prevention program," Caldwell commented.

Entertainment At Annual Lutefisk Dinner Saturday

An order is said to have been placed for 1500 pounds of fish to be served Saturday evening at the Sixth Annual Lutefisk Dinner at the I. E. S. Hall, 1401 E. Santa Street, San Jose. The affair is sponsored by the Nordahl Greig Lodge No. 52, Sons of Norway. Hans Hanson of the Campbell Bakery has tickets available.

Glen Gruver is in charge of the dinner and Henry Gunderson is in charge of the entertainment.

Folk dancing will be a feature of the entertainment after the dinner. The Travellaires, a barbershop quartet which placed second in nation-wide competition will be heard. Judy Goold of Campbell, a baton artist who has performed at San Francisco Forty-niner football rallies, is to be presented. Jack Damorose, vocalist formerly with Horace Heidt orchestra, will be heard.

CHRISTIAN SCIENCE

The understanding of the goodness of God which brings lasting peace and harmony will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "God the Only Cause and Creator".

Selections to be read from the King James Version of the Bible will include the following from Revelation (4:11): "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created".

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (69:13): "Spiritually to understand that there is but one creator, God, unfolds all creation, confirms the Scriptures, brings the sweet assurance of no parting, no pain, and of man deathless and perfect and eternal."

The Golden Text is from Genesis (1:1): "In the beginning God created the heaven and the earth."

Delphinium The Aristocrat Of Bedding Plants

The California Bedding Plant Advisory Board suggests many fine bedding plants for use in California gardens. Occasionally one of the items mentioned is of particular merit and should be represented in every garden. Such is the case with the delphinium. One of the true aristocrats of bedding plants and long a source of background plantings and for use where a full bold mass of blue can be used to good effect.

As is the case with most perennials, delphinium is good for several seasons of bloom, but unlike most perennials, delphinium also produced several periods of bloom each season. Thus, it is one of the best production numbers of the garden for not only is delphinium a thrice yearly bloomer, but each period of bloom is truly spectacular. The huge flowers close set on thick tall stems seem to be thrusting upward all over the plant. The total effect is truly beautiful.

We find delphinium grown in a mixture most popular, but some growers do offer straight color plantings. When they are available, extra satisfaction can be hed by planting solid masses of these uniform colors. For light blue there is Summer Skies, with a color suggestive of the name and a white bee or center to each floret. Medium blue is known as Blue Bird, which is a fine medium blue with a white bee. Blue Jay is a very intense deep blue with a dark bee. A little darker is King Arthur which is a violet-blue with a white bee. Deepest of all of the delphinium in this series, which is popularly called the Round Table Series, is the Black Knight, a deep velvety violet-black with dark bee. Cameliard is an expuisite lavender, while Guinevere is a pinkish-lavender with a white bee. In pure white we have Galahad, which is white with a white bee. Percival is white with a black bee.

Planted in the fall of the year, delphinium transplants will offer little or no color at this season. The main value is in developing strong roots that will support the strain of the heavy flowering desired for next spring and summer. Thus, for a comparatively little cost a large number of plants can be brought along for next year's bloom. Clumps can be purchased in the spring that will do the same job, but the cost will be higher and then again such field grown clumps do tend to suffer in the handling.

Winter care of delphinium requires that they be planted in in raised beds as they must have good drainage. With older plants, all of the flower stalks should be cleaned right down to the ground to stop the rain from collecting and rotting out the root. Snail bait should be spread after each rain so that the new shoots will be able to get a start. A mulching of steer manure and a light general purpose feeding as the weather warms should handle the fertilizing. Water should be applied by irrigation to save the stalks from bending from the weight of the water and to prevent the spread of mildew. With a little care and attention, delphinium can be a source of much garden pleasure. Try a few in some sunny spot. Your garden will benefit from the addition.

Sectional Achievement Award to California 4-H'er

Marilyn Willard, 19, of Red Bluff was among 24 Club members who received the 1954 4-H Achievement Sectional award, one of the highest honors a 4-H Club member can obtain. Miss Willard was thereby chosen to attend the National 4-H Club Congress in Chicago.

Her selection as a sectional winner in the program was based on project accomplishment as well as club and community achievements.

During her nine years in 4-H she participated and distinguished herself in Livestock, Poultry, Clothing, and completed 52 projects. She attends Oregon State College, and using her portable sewing machine, sews dresses for some of her friends along with repairing and remodeling clothes and earning spending money for herself.

Miss Willard has served as president, vice-president, secretary and reporter. Although active with 4-H and its many activities, she participates in school, church and community affairs. She belongs to the 4-H and Home Economics Club at school.

With teaching credentials in Home Economics and her 4-H experience, she would like the opportunity of exchanging the American way of life with the youth in another country.

Marilyn Willard

Achievement awards, provided by the Ford Motor Co., also include $300 college scholarships to 12 members chosen from the sectional winners. As state winner, she was presented a set of two miniature statues.

This program is conducted under the direction of the Cooperative Extension Service.

SPEAKING of CARDS

SOLVING RAINY-DAY PROBLEMS

It may come as a surprise to you to learn that there is a card game called Concentration which is not only good for improving the attention and memory of your children but which they are also likely to win despite your best efforts. It is also a good way to keep your children occupied if they are confined to the house on a rainy day.

In Concentration, you lay out all fifty-two cards face down, one at a time, arranged so that they do not touch or overlap at the corners. Each player in turn gets a chance to turn over any two cards. If they match (two nines, two deuces, two queens, etc.) he puts them aside and turns up two more cards. If they don't match, he turns them back face down in exactly the same spot and it is the next player's turn. When all the cards have been properly matched, the player who has taken the greatest number of pairs is the winner.

The winning formula, of course, is to remember the location of the cards that have been exposed and then turned face down again because they failed to match. According to some psychiatrists, this is the main reason why children usually win the game. They are able to concentrate more completely on the cards that have been exposed and to remember their exact locations.

If you feel that Concentration is not active enough to hold your children's interest, try teaching them the game of Pounce. In Pounce, fast reflexes are an advantage, as alertness and a deft hand aid the player in getting rid of unwanted cards. The game can be played by three or more players and since all play at the same time, the opportunities for physical exertion are plentiful.

Pounce is merely a multiple variation of Solitaire. As in Solitaire, the aces are the foundation cards and a player builds-up from the ace to the king in each suit. But the variation in Pounce allows you to build up any foundation pile, yours or your opponent's.

And that's where the action—and the fun—begins.

California 4-H'er Gets Leadership Trip

Lorraine Corda

Lorraine Corda, 19, of Gonzales has been chosen one of eight sectional winners in the National 4-H Leadership program. She will attend the National 4-H Club Congress in Chicago, as the guest of Edward Foss Wilson, meat-packing executive.

Lorraine's records will now be considered for higher honors.

In 1951 Lorraine won second alternate in the state for Achievement. She also exhibited the 4-H champion cow at Salinas valley fair. In 1953 she won two trophies for state 4-H Achievement, was awarded a $250 scholarship and a trip to the Club Congress at Chicago. That year she was selected as outstanding 4-H Club girl to represent Monterey County at the All Star Conference in Berkeley.

She has won 15 championship awards and four trophies. In the Gonzales 4-H Club she has been: Recreation and yell leader, secretary and treasurer, vice president and president. She has been assistant leader and Junior Leader.

For the past five years, 55 of her members have made 142 exhibits. Since 1950 she has coached four members in judging dairy animals and in 1950, '51 and '53 her members won the county dairy judging contest.

This year she was selected to represent the 25,000 4-H members in California at the Governor's Conference on Children and Youth.

Her leader is Mrs. Frank Corda.

This program is conducted under the direction of the Cooperative Extension Service.

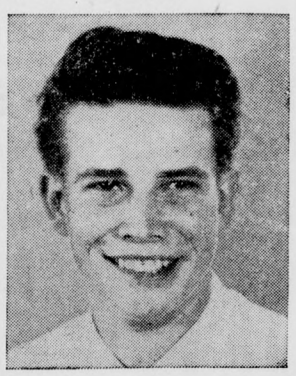
4-H Sectional Award to Californian

Sectional winner in the 4-H Entomology program, David Hansen, 16, of Davis, was among the 12 4-H'ers chosen to attend the 33rd National 4-H Club Congress in Chicago. His splendid record showed that he had completed two years work in Entomology, learning how to collect, mount, keep and kill insects.

David has learned where and when to collect different types. He watches for insect migrations and can take an insect count in the alfalfa fields.

He has found out that one hundred million dollars is spent on insecticides annually and the advantages and disadvantages of using them. David knows how insects affect human lives and what is being done to control them. His knowledge of insects has saved him money in his garden project.

David has been president of the Plainfield Club led by Kenneth and Marie Hauseler. He is interested in music and participates in many sports and has been president of his school class.



David Hansen

David's educational trip was provided by Hercules Powder Co.

This program is conducted under the direction of the Cooperative Extension Service.

Chrysler New Yorker Deluxe St. Regis

ANNOUNCING CHRYSLER FOR 1955 WITH THE 100-MILLION-DOLLAR LOOK

IT'S HAPPENED! Here's a wholly *new* direction in automotive styling for all cars to follow. And it took Chrysler for 1955 to do it: America's top performer and the first in the coming generation of motorcars!

Come see it! Everything about it is completely new, and dramatically *different*. Here's the car with the 100-Million-Dollar Look . . . and when you own it and drive it, you'll *feel* like every million of it!

Chrysler for 1955 is long and sinewy and low. It's a sleek, clean length of steel that looks as if it might have been born in a wind tunnel. Washed free of clutter.

Purposeful as an arrow shot from a bow!

New front-end . . . you can spot it a mile away! New Super-Scenic sweptback windshield . . . with corner posts that slant *back* to allow safest possible vision. New tapered rear deck. New sweeping silhouette that's inches *lower* than other big cars. New Twin-Tower tail-lights that say "Stop!" with great authority. New PowerFlite Range-Selector on the dash that completely outmodes conventional levers on the steering column. And new fashion-forecast luxury interiors that surpass in color and richness anything you've ever seen in any but custom-built motor cars!

Come drive it! *Every Chrysler is now a V-8* —with engines up to 250 HP, the most powerful type in the world. Famous Chrysler engineering brings you PowerFlite, *most automatic* of all no-clutch transmissions. Full-Time Coaxial Power Steering and new double-width pedal Power Brakes. Plus new tubeless tires! Everything is here you need . . . to drive, as well as look, ahead of all others. Come see America's most smartly different cars today. See for yourself why now, more than ever, *the power of leadership is yours in a Chrysler.*

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN, that the Board of Trustees of the Campbell Union School District of Santa Clara County, California, hereby invites, and will receive, sealed proposals for the furnishing of all materials and labor for the following:

Ten classrooms, two kindergartens, administration, multi-use room, mechanical and storage rooms, sanitary facilities, covered corridors and site development for Monroe Elementary School for the Campbell Union School District on the Westerly side of the Southerly extension of Monroe Avenue, Campbell, California.

All bids must be in writing on forms supplied by the Architect, and entitled "Bid for Monroe Elementary School—Campbell Union School District" and mailed, or delivered to Lawrence E. Means, Clerk of the Board of Trustees of Campbell Union School District at 111 North 3rd Street, Campbell, California, in time so that same will be received by him not later than 2:00 P. M. on the 16th day of December, 1954, at which time and place said bids will be opened and considered.

Bids shall be presented in accordance with plans and specifications for said work, which are on file at the office of the Architects, Higgins and Root, 220 Meridian Road at Park Ave, San Jose, California.

A deposit of $50.00 will be required for each set of plans and said deposit shall be returned to the bidder when plans and specifications are returned in good order.

All bids must be signed by the bidder, and be accompanied by a bid bond or a certified check or cashier's check for an amount not less than ten per cent of the amount of said bid, said checks to be drawn payable to the order of Lawrence E. Means, Clerk of the Board of Trustees of Campbell Union School District, as a guarantee that the bidder will enter into a contract with said Board of Trustees in accordance therewith upon being notified of the acceptance of said bid, and will furnish the surety bonds required by the specifications and by law, and said check to be forfeited to said Board of Trustees of the Campbell Union School District should the bidder fail to execute the contract and furnish the bonds above mentioned.

Workmen employed on said work shall be paid not less than the hereinafter set forth prevailing scale of wages:

Classification	Hourly Rate
Carpenters—Journeymen	$2.77½
Electricians	3.28
Glaziers	2.55

all in accordance with the rates fixed by schedule adopted by the Board of Supervisors of the County of Santa Clara to which reference is hereby made for rate of payment not herein specified.

The prevailing wage scale heretobefore adopted by the Board of Supervisors of the County of Santa Clara on November 15, 1954, as amended is hereby adopted as the general prevailing rate of per diem wages in the locality in which said public work is to be performed for each type of craft of workmen needed to execute the contract, and said schedule of wages is hereby especially referred to and incorporated herein and made a part hereof as though the same were herin set out in full, including the specifications therein of per diem wages for legal holidays and overtime work in said locality; and the Contractor to whom the contract is awarded, and any sub-contractor under him shall pay not less than the specified prevailing rate of wages as therein specified to all workmen employed in the execution of said contract.

Said schedule of per diem wages is based on a working day of eight hours unless otherwise provided therein, and the wage prescribed therein is the per diem rate divided by the number of hours constituting the working day.

All skilled and other labor not listed above that may be employed is to be paid not less than the union scale for such labor.

Contractors who propose to have sub-contractors perform work or labor or render service to them in or about the work should designate in their bid the names and location of the places of business of each sub-contractor who will perform such work, labor, or render service in an amount in excess of one-half of one per cent of the contractor's bid.

All bidders shall be required to furnish surety bonds for the faithful performance of the work and as required by Section 4200 of the Government Code of the State of California.

This Board reserves the right to reject any and all bids and to waive any informality in any bid received, at its discretion.

All bids must specify that said work is to be completed within Two Hundred Ten (210) calendar days after the execution of the contract for the same. Should said work not be completed in that time, there shall be deducted from the final payment the sum of twenty-five dollars ($25.00) per day as liquidated damages. Time of completion may be extended at the discretion of the Board. Time shall be the essence of the contract.

No bidder may withdraw his bid for a period of Forty-Five (45) days after the time set for submission of the bids.

No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractor's License Act of the State of California.

A Champion Speaks To Champions

FRANKIE ALBERT TO SPEAK AT C.U.H.S. FOOTBALL BANQUET

by Bob Olson

Frankie Albert, one of America's all-time grid greats, will be guest speaker at the Campbell High School annual football banquet, Wednesday night, December 8, 1954, in the high school cafeteria beginning at 6:30 P. M. Albert's name has been synonymous with championship football for over a decade, and is well known today for his Saturday night television sports program as well as his Sunday afternoon broadcasts of pro football games over radio. He first became famous as a high school player in 1937 at Glendale High School. His prowess as a "T" formation quarterback became nation-wide in 1940 when Stanford's "Albertized" attack took them through an undefeated season, including a spectacular 20-13 Rose Bowl Victory over Nebraska.

They still refer to Frank Culling Albert as the most popular undergraduate ever to grace the Stanfor campus, for though cocky (he was the epitome of the Indian spirit) he was regarded as a regular guy rather than a pampered athlete or rich man's son. Albert earned his way through college, mowing lawns, washing cars, and working summers as an oilfield laborer, boys' camp counselor, and even as a bit player on the Warner Brothers' lot. The members of Pi Beta Phi House are still proud of the fact that Albert once waited on their tables.

But is was on the football field that Albert really took command. Clark Shaughnessy built a whole team around this outstanding passer and gifter left footed kicker who never knew the meaning of the word "quit". After the famous Washington game victory, Shaughnessy said of Albert, "He made my job easy; Albert is not just a player on the field but a coach as well, for he not only outplays his opponents, he outguesses them too!"

Football record books are full of the achievements of Frankie Albert who is to talk to the SCVAL champs next Wednesday night.

After graduating from Stanford, Albert played professional football with the San Francisco Forty-Niners both in the All-American Conference and in the National Professional Football League. After retiring from the game, Albert came out of retirement for a year to play Canadian football across the border. No longer active as a participant, Frankie is still today a much-quoted student of the game. His likable personality has made "The Frankie Albert Show" a "must see" for TV sports fans, and he still follows the Forty-Niners all over the country helping to air accounts of their games over radio.

CUHS Director of Athletics, George Miskulin, promises a big evening but recommends reservations since the cafeteria facilities are limited. He may be called at FR 8-3481 any time during the school day, or your high school son may buy tickets (at $1.25) at school, Miskulin adds:

"It is hoped that Billy Wilson, Campbell High graduate playing with the San Francisco Forty-Niners, will also be in attendance".

Campbell Press Names Five Bucs On All-Star Team

Five members of the Campbell High football team, champions of the Santa Clara Valley Athletic League were named today on the Campbell Press SCVAL All-Star team, with three more on the second team. Santa Clara placed three on the first and one on the second team, while Fremont got two on the first, Los Gatos got one on the second, Washington one on the second and Lick has one on the first and five on the second team.

Outstanding players for individual performances were Phil Cardero, halfback for Fremont and Eppie Gallego, the Campbell quarter back. Bucs named on the first team were Tony Schraub, Wally Koontz, Gary Lukehart and Dick Kolte, while on the second team were Rod Sprecher, Jim Ryley and Rich Callaway.

Sea urchins creep about on flexible tube-feet that have small suction cups at their tips.

There are 1819 fire alarm boxes located strategically throughout the City and County of San Francisco.

CUHS WELCOMES SWEDISH VISITOR

Karin Quist, a pretty 18 year old Swedish girl, visited Campbell High while enjoying her first trip to the United States.

Karin says the USA is very different from Sweden, but added that she likes the US just fine, and especially Campbell High.

Karin will spend the next six months visiting relatives in San Diego and will then fly home by the new route over the North Pole.

Karin completed seven years of schooling in Sweden at the age of fourteen. Since that time she has been caring for her mother.

Karin stayed at the home of Susan Quist, her freshman cousin, during her brief stay in Campbell.

DEBATE CLUB TO HOST FREMONT

On Wednesday, December 1, Campbell High School will play host to four debate teams from Fremont.

The teams from Campbell consist of Pat Belardis, Brian Paddock, Nanci Wibel; Everett Avilla, Dennis O'Flyng; Chuck Kaffer, Warren Wood; and Steven Dunn and Bob McClenahan.

Campbell will go to Oakland on December 4, along with various other schools from the Bay Area.

The debate topic for both Fremont and Oakland, will be "Resolved: That Congress Should Abolish Protective Tariff".

Senior Play Discussed

Twelve Broadway plays are now under consideration by a committee of 38 Seniors, for presentation by the Senior class early next spring. The final selection will be made in late December or early January. Tryouts will be held immediately thereafter.

As in past years, great care will be taken to keep the selection secret until the official announcement is made.

Delegates Attend Jr. Statesman Convention

Campbell High sent two delegates to the Jr. Statesmen convention held at the Hotel Saint Claire, November 20. Those chosen to represent Campbell High were Juniors Glen Cureton and Roger Lukehart.

They attended a meeting of the Legislative Branch of student government, consisting of members from the ages of 14 to 21. The Convention opened Friday and closed Sunday. On Saturday evening a larg ebanquet and formal dance was held.

WHAT IT TAKES
to supply your home with WATER every day

By: Charles B. Parbury
Vice President and General Manager

Charles B. Parbury

Did you ever notice the waterboy carrying a bucket to a crew of men on a hot day and think about the number of trips he has to make before the day's work is over to satisfy the demands of those thirsty workers?

That lad represents water transportation in its most primitive form, a true "drawer of water" in the Biblical sense. Any of us who ever has packed a water bucket can testify to the weight. A gallon of water weighs about eight pounds.

In a modern system such as the San Jose Water Works we transport water to our customers through underground pipes under pressure — and what a weight of water we "carry" to you on an average day! It amounts to 104,000 tons.

We were asked recently what this weight would mean in terms of railroad cars, just supposing this area was located in the middle of a desert, and all the water we used had to be brought in by rail.

Well, it would require 3,433 railroad carloads of water (30 tons to a car, says Joe Slide-Rule, our figure checker) to provide the 60,000 customers of San Jose Water Works with just one day's average water requirements. When you figure that the total production of prunes last year in Santa Clara County was around 2,733 carloads, you begin to get an idea of the mammoth transportation job we do every day in "carrying" water to our consumers.

The Three Bears ride on Family Fares

(to the East and Midwest)

Now the whole family can go along when Papa Bear goes on a trip to the East or Midwest! With Southern Pacific's Family Fares, Mama Bear and all the little bears (or people) can go too, for so little money that it's cheaper than leaving them home.

Incidentally, Father doesn't even have to go. Mama can serve as the head of the household for the purpose of Family Fares.

Family Fares are good in both Chair Cars and Sleeping Cars.

So, next time you're planning a trip to the East or Midwest, plan to take the family with you. Don't be misled by high-flying, extravagant claims, either. Be sure to find out how little it will actually cost for *your* family to use Southern Pacific's Family Fares. Just ask your nearest S.P. Agent for full details.

LEGAL NOTICE

RESOLUTION OF INTENTION TO ANNEX CONTIGUOUS TERRITORY TO COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, AND PROVIDING FOR NOTICE OF TIME AND PLACE OF HEARING THEREON

WHEREAS, there has heretofore been filed with the Board of Supervisors of Santa Clara County a petition requesting this Board to annex to County Sanitation District No. 4 of Santa Clara County certain additional territory described in said petition, and which said territory is more particularly hereinbelow described; and

WHEREAS, it appearing to this Board that said particularly described territory is not within the boundaries of any other County Sanitation District or any other district formed for similar purposes; and

It further appearing to this Board that said contiguous territory will be benefited by virtue of its annexation to said County Sanitation District No. 4,

NOW, THEREFORE, IT IS HEREBY RESOLVED that Monday, the 13th day of December, 1954, at the hour of 10:45 o'clock A. M. of said day, at the chambers of the Board of Supervisors of the County of Santa Clara, in the Civic Center Building, First and Rosa Streets, in the City of San Jose, State of California, is hereby fixed as the time and place at which this Board will hear and consider the matter of the annexation of said contiguous territory to County Sanitation District No. 4 of Santa Clara County, and at which time and place any and all persons interested in said matter may appear and be heard and show cause, if any they have, why such territory should not be annexed to said district.

That the territory hereinabove referred to is that certain real property situate in the County of Santa Clara, State of California, and more particularly described as follows, to wit:

All that certain real property situate, lying and being in the County of Santa Clara, State of California, and more particularly described as follows:

Beginning at the intersection of the northerly line of Herriman Avenue with the westerly line of Tract No. 1085, as recorded April 7, 1953, in Book 42 of Maps at Page 13, which westerly line is also a westerly boundary line of Santa Clara County Sanitation District No. 4; thence westerly along the northerly line of Herriman Avenue 310.16 feet, more or less, to the westerly line of Tract 537 as recorded August 16, 1948, in Book 20 of Maps at Page 13; thence northerly along said westerly line 1038.87 feet, more or less, to the southeast corner of that certain 26.81 acre tract of land described in the deed from the Hogg Estate Co., to Emma C. Kartschoke, recorded May 7, 1941, in Book 1040 O. R. at Page 164; thence N 89° 00' W along the south line of said 26.81 acre tract of land 858.74 feet to the northeast corner of that certain 20 acre tract of land described in the deed from Christina M. Pollard to Stephen P. Williams, recorded February 23, 1911, in Book 368 O. R. at Page 202; thence S 0° 03' E along the east line of said 20 acre tract of land 448.76 feet, more or less, to the northwest corner of Block 2 of Tract 1321, as recorded June 22, 1954, in Book 50 of Maps at Pages 38 and 39, continuing southerly along the westerly line of said Block to the southwest corner of Lot 4 thereof; thence easterly and southerly following the southerly and westerly boundary lines of said Block to the southwest corner of Lot 10 thereof; thence southerly on the projection southerly of the westerly line of said Lot 10 to the southerly line of Herriman Avenue; thence easterly along said southerly line to the intersection thereof with the projection southerly of the westerly line of said Tract 1085, which line is also a westerly line of Santa Clara County Sanitation District No. 4; thence northerly along said southerly projection and westerly line to the point of beginning.

AND BE IT FURTHER RESOLVED that notice of the time and place of said hearing be given by publishing a copy of this Resolution and Notice once a week for two (2) successive weeks in the Campbell Press, a newspaper of general circulation in said County Sanitation District No. 4 and in the territory proposed to be annexed to said district.

PASSED AND ADOPTED by the Board of Supervisors of the County of Santa Clara, State of California, this 22nd day of November 1954, by the following vote:

AYES: Supervisors, Brown, Della Maggiore, Gaspar, Levin, McKinnon
NOES: Supervisors, None
ABSENT: Supervisors, None.

A. W. BROWN

New Telephone Address Book Being Prepared

A new San Jose, Santa Clara and Campbell street address directory will be made available to telephone users here on January 12, according to T. T. Cook, Pacific Telephone district manager.

The new book has been expanded to include the communities of Agnew, Almaden, Alviso, Coyote, Cupertino, Milpitas, Monte Visto and Mount Hamilton.

Compilation of this special book is now under way.

Representatives of the telephone company will be working throughout the area to Friday, December 24, to consult with business houses and take applications for this new service.

In this directory, all telephones are listed by address rather than by name. Copies can be leased from the company on a six-months basis.

New street address books come out twice a year.

Cook pointed out the following uses of a street address directory: checking names and telephone numbers where only the addresses are known; keeping mailing lists up to date and helping route deliveries.

NEW CUB PACK AT CHERRY LANE SCHOOL FORMED

O film, "Insects Are Interesting", which showed closeups of caterpillars, bees, locusts and other insects was shown members of the Cherry Lane Home and School club Tuesday evening by Barret Patton, of the Santa Clara County Audio-Visual department. Patton entertained and instructed the Club with demonstrations of audio-visual aids and said the department has grown from a beginning of one projector and one program traveling from school to school, to daily delivery of possibly 400 films to 126 county schools, each with its own equipment. He also approved the decision of the Club to purchase a large screen and speaker for the school multi-use room. Mel Cotton and W. H. Lawler were appointed to work out details.

A report was made on plans for a Christmas program for parents and children to be held the 16th of December. A teacher has donated a tree, and parents and children are asked to contribute or lend lights and ornaments before December 14.

A card party has been scheduled for the end of January as a fund-raising project. A new Cub Pack has been organized with three dens and E. H. McGinty as **Cubmaster.**

Following the program, children joined their parents for refreshments provided by room mothers and the refreshment committee.

Party Honors Carol DeLaude

Carol DeLauder was honoree at a surprise birthday party given her Sunday afternoon by the Camp Fire Group of which she is a member.

The party was based on a 'This Is Your Life" theme and covered incidents in her life from the time she was just a baby until now, her fourteenth birthday. The script was written by Mrs. Helen Story and her daughter Barbara with Carol's mother supplying the information. Barbara Story was also the moderator and introduced the various guests as they made their entrance. At the close of the story Carol was presented an album containing pictures of her babyhood up through the present time.

Guests attending the party were Barbara Story, Diane Nelson, Sharon Gammon, Ruth Williamson, Nancy Rice, Laura Gordon, Judy Mavorich, Carol Bruce, Caroline and Martha Uchytil, Cathy Sullivan, Linda Uchytil, Mrs. Harry Story, Mrs. Richard Gordon, Mrs. Tony Uchytil, Mrs. Henry Uchytil, Mrs. Medford Doane, Mrs. Everett Nelson, Mr. and Mrs. James DeLauder, and Helen and James DeLauder.

FIREMEN HELP IN COLLECTION TOYS FOR TOTS

The second annual "Toys for Tots" drive is getting under way in Campbell today and will continue through December 15 as sponsored by the First Air Delivery Company and the Campbell Fire Department.

A large box, suitably labeled "Toys for Tots" has been placed at the Campbell Fire station where those desiring to give toys may leave them.

Other cities in the area, including San Carlos, Redwood City, Menlo Park Palo Alto, Mountain View. Sunnyvale, Los Altos, Cupertino, and Campbell, will also conduct this drive.

The USMRC will make regular scheduled trips to pick up the toys from the fire houses of the various communities. They will be transported to the Marine Corps Reserve Armory at Moffett Field where the toys will be sorted and boxed and then turned over to local welfare and church groups for distribution.

Good Condition Toys Asked

Residents are asked to give toys which are in good condition as the Marine Reservists will not have time to make many repairs.

'Holiday Express' In Cambrian Park

"Holiday Express" is the theme for the annual Christmas Bazaar to be held Saturday, December 4, from 5:00 to 10:00 p. m. by the Cambrian Home and School Club. Proceeds from the bazaar will be used for Reference Books for the new Frank Steindorf School that will be completed in the spring.

The "Holiday Express" theme is being worked into a very colorful Train, loaded with handwork, baked goods, gifts and decorations. toys, both new and used, aprons, There will be a fish pond and other games for all ages.

The Dining Car will serve a supper of hot dogs, chili, ham sandwiches, cake and coffee throughout the evening.

Monte Estabrook, station master, says, "If you want a real holiday, hop on board our Holiday Express for an evening of fun." This bazaar is planned for the children as well as the grownups. The entire family can attend, have supper and spend the evening. There will be games for the children and the parents will have an opportunity to buy the many beautiful articles on display for Christmas present and decorations. There will be entertainment throughout the evening and Santa Claus will be there with a gift for each of the children.

GOP ASSEMBLY TO HOLD PANEL ON ANNEXATION

West Valley annexation problems will be considered by a panel of well known speakers next Tuesday evening at a meeting in the Louise Van Meter school at Los Gatos, according to an announcement from the Los Gatos-Saratoga Chapter of the Republican Assembly.

Speakers, bringing viewpoints from both the municipal and county level, will be Karl Belser, county planning commission director; Karl A. Baldwin, town manager of Los Gatos; A. P. "Dutch" Hamann, city manager of San Jose; James A. Ersted, Cambrian Park attorney, and Paul H. Ecker, economics professor at San Jose State College from Blossom Hill.

The panel discussion will be moderated by Merritt E. Cutten of Los Gatos.

This is the first of a series of public informational meetings planned by the assembly, according to E. J. Kennedy, president of the GOP group.

Each program will deal with a timely subject and will be offered as a service to the public, Kennedy said, and declared that the assembly has no self interest in the subject and has taken no stand as an organization.

"We do recognize, however," Kennedy said, "the need of unbiased, non-partisan grograms as well as partisan and feel that this first subject—annexation—is of vital interest to the whole West Valley area. No particular emphasis will be placed on particular areas but rather will take up the question of annexation on a general educational basis," he added.

The committee handling the arrangements include Colonel Ralph E. Powell, Mrs. Charles Lockwood, and Mrs. Henry Frank.

MARCHING BAND IS ADVERTISING CAMPBELL HIGH

The Campbell High School choir is to make its annual appearance next Thursday in the annual Christmas Festival of Song at the San Jose Civic Auditorium. On December 15 it will appear again in an original Christmas play by Ken Wallace to be presented at the High School auditorium.

Another music group at the high school is the marching band directed by Dick Gordon which appeared in the balloon parade at San Jose one evening last week and took a third place among seven bands. The marchers pleased the 4000 fans at the Campbell-Los Gatos game on Thanksgiving Day, and also at the halftime at Spartan Stadium last Saturday at the game between San Jose State and New Mexico, attended by some 13,000 fans. Jerry Hay is the tall major domo, leading the marchers.

POP'S PROJECT IS EXPLORER CREW ACTIVITY

An active week has been concluded by the Explorer Crew of the Campbell Kiwanis Boy Scout Troop 28.

Friday they went to San Francisco as guests of United Fruit Company. E. F. Sporl, manager of the company, met the crew and conducted them aboard the S. S. Esparza, a 480 foot steam turbine built in 1949 for the banana trade. He told the group of the many trades and vocations needed in their varied operations and explained the shipping problems in bringing bananas from the tropic to this country. This was followed by a tour of the ship which gave the Explorers an opportunity to see the facilities, quarters and storage in the hold, as well as the unloading operation.

Following this tour, the boys went to Golden Gate Park for a program at the Steinhart Planetarium.

Crew members who made the trip to San Francisco were Gene Andres, Don Brown, Doug Dodd, John Duncan, Larry Helfter, Jerry Henley and Tim Sullivan. William Henley and Ken Robison, advisor, provided transportation.

Saturday six Explorers participated in "Pop's Projects" at the various boys' homes. After consulting with their families and selecting a work project the entire group worked at each home for two hours before moving to the next job. This enabled the Crew to get several jobs done in one day. They sawed wood, dug post holes, mowed lawns, painted a fence and dug a ditch for a pipe line.

On Monday the Crew met with Harrald Alvord, deputy regional executive of region 12, Boy Scouts of America, to discuss a possible trip down the Colorado River by rubber raft. Alvord has made the trip which is managed by Explorer Scouts in Utah, and is being considered as a summer activity by the local Crew.

Dover Students To Register Bikes Saturday

Students of the Dover School are scheduled for bicycle licensing from 12:00 to 3:00 p. m. on Saturday, at the Police Station.

Each student must take his or her bicycle to the station and fill out an application blank provided by the City before they can be issued a license plate. After they have made application the Police will attach the license securely to their bicycles.

The licensing of bicycles is a new City Ordinance and is required of all owners of bicycles within the City.

EISENHOWER PICTURES ARE GIVEN SCHOOLS

Two large pictures of President Eisenhower have been presented to the Campbell Grammar School and to the High School by the Campbell Council of Republican Women. The pictures are tinted with wide natural wood frames and measure eighteen by twenty-four in size. Mrs. Hugh Whistler, president of the Council, made the presentation at the Grammar School to William Henley on behalf of the organization. At the High School the picture was accepted by Miss Mae Farley, secretary of Laurance Hill, because of his absence.

The pictures of the President are the project of Republican Womens Councils who make presentations to schools and post offices all over the country.

Pup And Four Bells In Police Custody

One lost pup and four Christmas bells were collected by the Police Department Wednesday morning.

Thre little lost pup, which looks to be a German police about two months old, is making himself at home in the Police Station and greets visitors with friendly wags of his tail. Police are scouting around hoping to find his owner.

The four red bells from street decorations were blown down by the strong winds late Tuesday night. They will be delivered to the Currys to be put up again as soon as possible.

Legion To Hold Christmas Party

The annual childrens Christmas Party will be held by the American Legion Auxiliary, unit 596, at 7:30 p. m., Wednesday, December 8 in the I. O. O. F. Hall. The program will consist of music, dancing and recitations given by children and grandchildren of members. There will be a Christmas tree, a visit from Santa Claus and gifts for all the children.

All members attending are asked to bring a gift for a child marked "girl" or "boy" and the age level of the gift. Members are urged to attend this annual affair for children and to note the change of time of the meeting from 8:00 p. m to 7:30 p. m. Legionaires will join the auxiliary for refreshments after the program.

Job's Daughters Elect Officers

Saturday afternoon, November 27, was an exciting meeting for the girls of Job's Daughters. There was an election of officers and ten girls returned from a convention in Long Beach.

The newly elected line officers are Starlene Petri, honored queen; Dolores Whitehead, senior princess; Diane Williams, junior princess; Gail Gerlach, guide; and Barbara Loring, marshall. Other officers are to be appointed.

Each of the ten girls who had attended the Grand Guardians Session in Long Beach had some little tale to tell the others such as: beds that were short sheeted. their trips to the Pike, to Knox Berry Farm, the crazy room they stayed in, where they ate and so forth.

New 'Cad' Offer Bv Drug Store For Customers

Would you like to win a swanky new Cadillac, stunning Chevrolet, or a table model TV set? Clark's Drug Store is sponsoring a giant Christmas drawing of 1001 valuable prizes in which there is no jingle or statement to write, and nothing to buy to make you eligible for the prizes. Every customer of the store will receive an official entry blank. The contest is open now and closes December 31 at midnight.

All you have to do is write in the spaces provided on the entry blank the key numbers of 10 of the 36 items illustrated in the catalog, which, in your opinion, are the most generally appropriate as Christmas gifts. Then print your name and address on the address portion of the blank, and nothing more.

Prizes listed or shown on the entry blank will be awarded on the basis of a blindfold drawing by name, under the direction of the merchandising staff of the Reuben H. Donnelley Corporation, whose selections are final. All winners will be notified by mail.

First prize is a 1955 Cadillac, five second prizes of Chevrolet sedans, ten third prizes of table model TV sets, twenty-five fourth prizes of Broil-King Rotisseries, fifty five prizes of clock radios, and many more valuable gifts.
